

THE #RANGECHALLENGESM SERIES

NEW FOR 2020

The National Shooting Sports Foundation® (NSSF®) is pleased to announce the #RangeChallenge Series. The #RangeChallenge: Summer Shots target provides you with a new fun activity to engage your patrons as they test their skills, introduce friends and family and get active on social media by sharing their experiences that promote firearm safety and shooting sports awareness. To add to the fun, participants who share their experiences on Instagram using the #RangeChallenge hashtag will have a chance of being randomly drawn for one of our weekly or biweekly giveaway packages.
